

**Metro Denver**  
HEALTH & WELLNESS COMMISSION  
Creating America's Healthiest Community

**Metro Area Mayors and Other Members of the MDHWC  
Cordially Invite You To Attend A Regional Public Forum! We  
Want Your Feedback on How to Create Healthy Schools, Healthy  
Worksites, and Healthy Communities**

Should every student have PE? Should employers reward employees for adopting a healthier lifestyle? How can local governments make it easier for families to be physically active? We want to know what you think about these questions and more.

Members of the public with an interest in these issues – including employers, parents, teachers, school administrators, public health advocates and health care workers – are encouraged to join in roundtable discussions and electronic voting on the MDHWC's plan to make the Denver metro area America's healthiest community. Your opinion counts.
